BTC Trader Pro

QUICK START

Automated Bitcoin Trading with AI Assistance

TEST WALLET

Try it for free, with no time limit.

LIVE TRADING

Trade BTC/USDC on Binance with a valid license.

AI ASSISTANT

Step-by-step help with setup and use.

AI USER MANUAL

The complete knowledge base for your AI assistant.

Your AI assistant helps you get started

Open the AI assistant of your choice and upload the included AI User Manual.
The assistant can then guide you step by step through setting up and using BTC Trader Pro.

> “I want to set up BTC Trader Pro. Please read the attached AI User Manual and guide me step by step through setup and use. Follow the instructions for the product revision specified in the manual.”

Note: Start with the free TEST mode. LIVE trading involves the risk of financial losses and technical errors.
